Salem Railway Division

1678. DR. K. MALAISAMY: Will the Minister of RAILWAYS be pleased to state:

(a) though a new railway division at Salem was formed and officially inaugurated a few months back, whether it is a fact that number of things which are under the purview of a division are still handled at Palghat;

(b) if so, how long this teething trouble would continue to give inconvenience to the public;

(c) by when it can be expected to be a full fledged division; and

(d) whether there are any hurdles to do this legal and legitimate task?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R. VELU): (a) Yes, Sir.

(b) There is no public inconvenience.

(c) The new Division at Salem has already been operationalised and made fuly functional w.e.f. 01.11.2007. However, some functions like drawal of pay and allowances to the employees and grant of promotion to various categories of employees are being carried out by Palghat Division, which shall be taken up shortly.

(d) There are no legal hurdles.

Wastage of fuel due to closure of rail crossings

†1680. DR. PRABHA THAKUR: Will the Minister of RAILWAYS be pleased to state:

(a) whether Government is aware that the lakhs of people waste their time, petrol and diesel unnecessarily due to closing of gates at railway crossings installed at various places in the country;

(b) whether Government has any scheme to construct underbridge or overbridge at important railway crossings in Rajasthan to avoid unnecessary wastage of time, money and labour and to provide facility to lakhs of passengers;

(c) the places identified by Government for this purpose; and

(d) the number of underbridges and overbridges to be completed during the year 2008 alongwith the details of such construction to be completed in Rajasthan?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R. VELU): (a) to (c) Level crossing gates are closed to facilitate safe running of trains on railways right of way. Railways construct Road over/under bridges on cost sharing basis if the traffic density at the level crossing is one lakh or more TVUs (TVU-A unit obtained by multiplying the
